

As of the January 25, 2012, deadline for the Mixed Nationals, teams that had successfully registered, are posted below. Due to a lack of entries within the At-Large Region (NE/CO/TX/KS) there was one open spot created. This goes to the region with the most entries. The Mountain-Pacific (MoPac) Region and the Great Lakes (GLCA) Region were tied with seven entries each. Looking back at the previous year's entries, the MoPac Region had only six team entries while the GLCA Region had nine. The extra berth to the Nationals goes to the GLCA Region.
